

# GEORGIA VOTERS WANT TO Safeguard Elections

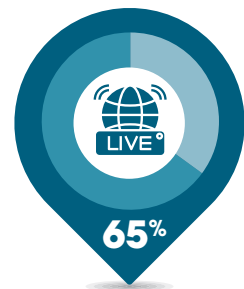

Voters support secure ballot delivery with escorts from each political party.

want to **crosscheck voter rolls** to ensure incarcerated individuals are not voting

support **penalties for election officials** who prohibit observation of ballot counting

would like to **live stream ballot counting activities**

Percentages for specific messages represent the percentage of voters more likely to support, as represented at [solutionsproject.org/polls/georgia-election-integrity](https://solutionsproject.org/polls/georgia-election-integrity)
